Ken & Flossie Welcome You to Mammoth!

"WOW!" Fifteen years! Who would have thought it would have lasted this long or even taken off at all. All of the odds were against it. The nearest major city and airport are 160 miles away. Many other events like this are held in major hotel complexes, ballrooms and conference centers. So far, Mammoth has no facilities like that for a festival. Most of our equipment has to come from Los Angeles (350 miles away) or Reno (160 miles).

Event Directors Flossie and Ken Coulter

So what do we have over other events that has made more and more people come here for 15 years? The "WOW" factor.

We have the best bands – "WOW!" Many of the best musicians in the world – "WOW!" The best mountain venues in "California's Premier Mountain Resort" – "WOW!" The best volunteers on the circuit – "WOW!" And the best jazz fans from all over the United States and many foreign countries – "WOW!"

We welcome you to our 15th year and encourage you to take advantage of all the wonderful things going on here. "WOW!"

Ken & Flossie Coulter

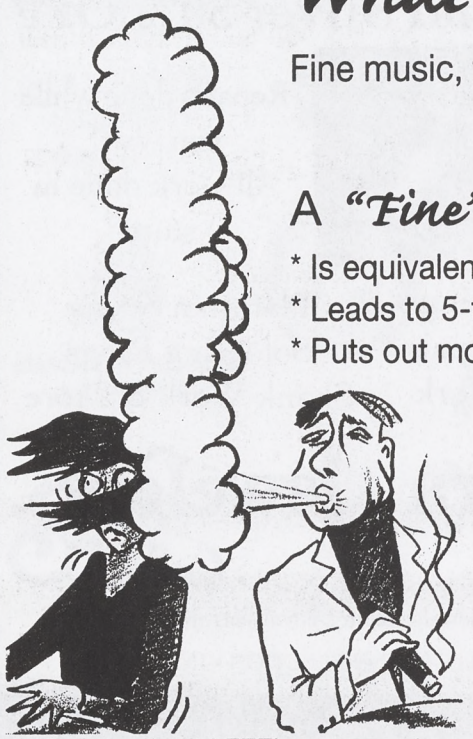
What a Celebration!

Fine music, fine friends, fine food, and a fine cigar:

WRONG!

A "Fine" Cigar...

* Is equivalent to smoking three to eight cigarettes
* Leads to 5-fold increase in the risk of dying from mouth and throat cancer
* Puts out more second-hand smoke than 3 cigarettes



So why don't I FEEL enormously successful and popular?

TOBACCO... IS TOBACCO... IS TOBACCO!

There is nothing "Fine" about it!

To quit, call the Mono Co. Health Dept. Tobacco Education Program at 760-934-7059 OR the CA Smokers' Helpline at 1-800-NO BUTTS.

INDOOR VENUES

Local Businesses Serve Up Hot Jazz

In addition to the tented venues at the 15th annual Mammoth Lakes Jazz Jubilee, there are several indoor venues featuring a variety of entertainment.

Most of these indoor venues are restaurants and popular bars. And again we are including the RV Park facility as an indoor site. Seating is limited at most of the indoor venues, so be sure to arrive early.

The following is a list of indoor venues featuring the music and fun of this year's Jazz Jubilee:

• The RV Park:
This venue is located one block east of McDonald's on State Highway 203, on the right as you are heading back towards US Highway 395. This site has over 200 seats and a great dance floor! Wooden Dollars are accepted here!

• Whiskey Creek (Upstairs):
Located at the heart of the Jubilee at the corner of Minaret and Main, Whiskey Creek will feature a variety of bands on their always festive stage located inside and upstairs this popular restaurant. A special preview show with JAS'M will be held here Wed., July 9 at 8:30 p.m. A $10 cover will be charged.

• Ocean Harvest:
The downstairs of this fashionable restaurant will feature a variety of events, including the popular Pianorama Friday and Saturday. This site has over 120 seats.

• Nevados:
Also located in the Jubilee hub, this local hot spot will feature the always-popular Banjos and Cocktails (Guitars, too) affair (no-host) late Saturday afternoon.

• Hennessey's:
The Jubilee's newest venue is Hennessey's, located in the new Village at Mammoth. The Banjo Brunch will be held here on Sat., July 12 from 8:30 to 11 a.m. Open since April of this year, Hennessey's is across the street from Tom's Woods.

Remember that many of these indoor locations are fairly small, and seating may be limited. Arrive early so you don't get turned away at the door. Remember also, your "All-Jubilee" badge does not guarantee you a seat at any event. If a site is full, please ask a site manager to check and see which sites are not full.

Please note that indoor venues accept only cash or credit cards for purchases. Wooden dollars are good at outdoor sites only, and the RV Park. MLJJ

In Memory of Doug Randall

This year's Mammoth Lakes Jazz Jubilee is dedicated to the memory of pianist Doug Randall, who died in a plane crash last fall in Southern California.

Doug, who performed here last year with The Doug Randall Quartet, was Temple of Folly's very first pianist. In fact, he performed with Temple of Folly in the first ever Mammoth Lakes Jazz Jubilee in 1989. He also played at the Mammoth Mountain Inn for many years. Doug was a wonderful pianist and singer, who entertained with beautiful classical jazz, boogie-woogie and much more.

He will be missed.

AT YOUR SERVICE

Special Needs

Each year, we make every effort to meet our guests' needs, including those of the physically challenged.

Look for handicapped-equipped toilets at the Big Top complex, RV Park, Whiskey Creek parking lot, Grumpy's Tent and the Church. Three of these sites have paved surfaces, however, the church has wood chips flooring, making it more difficult for those in wheelchairs and with canes. Additionally, there is a ramp and wooden floor at the RV Park site.

Please be aware that Tom's Woods, Church and Holler sites do have wood chips surfaces, which may make walking more difficult for some handicapped guests and especially difficult for those in wheelchairs and those with canes.

A limited amount of handicapped parking spots will be provided at the Big Top complex in the parking lot behind Ocean Harvest and across the street from Tom's Woods along the wall.

A limited amount of handicapped parking spots will be provided at the Big Top.

• • •

And for all you weary guests, check out a very special feature at Tom's Woods and at the Big Top Complex—a massage chair with a professional masseuse! Stop in for a quick back-rub or foot massage. Be sure to sign up for this 10-minute treat.

As for those on bicycles, look for bike racks at many of the sites. Be sure to bring your own locking devices. MLJJ

*CONSTRUCTION EVERYWHERE There is a lot of building and road repair occurring all over town so be EXTRA careful crossing all streets.

*Use crosswalks. Be aware that Minaret Road is very busy — try to stay inside the walking lane. Also, the sites for the Big Top, Ocean Harvest Restaurant and Grumpy's are situated on both sides of Old Mammoth Road. Be very careful when crossing in those areas. Of particular concern is the fact there is limited lighting at night in front of Ocean Harvest – be very cautious! Cars and drivers are not used to a lot of foot traffic in that area. Old Mammoth Road is undergoing a huge renovation, so please be careful in that part of town

*Another area to use caution is the Holler. There are no streetlights between the Church site and the Holler so be careful when walking there. You may want to bring a flashlight for evening walking.

*NO SEAT SAVING. Not even with your seat cushion! Please help us with this constant problem! We want to provide chairs for as many people as we can. If you come into a site early and leave your cushion on a seat and then leave the site, your cushion will be removed from that seat and taken to the lost and found! Also, once you are in a site to stay, please DO NOT save a seat for someone who is not there. After the performance has begun, site personnel have been instructed to seat all people without seats. If one location is filled to capacity, please try the other sites. Indoor venues have limited seating. Early arrival is suggested. (It's OK to leave if you go to the bathroom!) Do not come to the outdoor sites in the early morning (when they are not officially open) to place cushions on chairs to "save" them for your later return. They will be removed.

*Check the area around your seat before you leave so you don't forget anything.

*LOST AND FOUND will be located in the main ticket booth at Tom's Woods and at the badge sales booth near the Big Top, behind the Sierra Nevada Rodeway Inn.

*RECYCLE CANS & BOTTLES in the marked trash containers. Proceeds will go to local high school students.

*PARASOLS & UMBRELLAS. Please be aware of the direction and sight-blockage it is taking. Also, please use caution and be careful not to poke anyone; these do hurt when they accidentally come in contact with people!

*VCR RECORDERS will be allowed in designated areas — only at the discre-

tion of the bandleaders. Elaborate tape recorders are not allowed. Small, hand-held audio-recorders are permitted.

*DANCING ON DESIGNATED DANCE FLOORS will be at the following sites: RV Park, Holler, Tom's Woods, Big Top, Whiskey Creek, Church, and Grumpy's Tent. Special black-and-white floors at Tom's Woods, Holler and Big Top sites are for children to dance. Please don't dance in front of the audience; everyone wants to hear and see the bands. Even though the spirit may move you please do not dance on the sawdust or bare dirt; it kicks up a lot of dust and is hard on the musicians, as well as others.

*SSHH! Please hold it down! If you must talk and socialize, please go to an "outer area" so you don't disturb people who are trying to listen.

*RESTROOMS ARE PROVIDED AT EACH VENUE. Look for signs or ask site personnel for locations. Handicapped toilets are at Grumpy's, Big Top, and Whiskey Creek Tent and church .

*Parking will require "common sense." It will be limited, so please use the free shuttle, walk, or ride a bike. If you must drive, check the following areas for limited off-street parking: Whiskey Creek lot, Community Center lot on Forest Trail, Mammoth High School, the lot across from the Village-off Berner St. above Tom's Wood's, and a big lot across from Juniper Springs Lodge, up Meridian Blvd., about a mile from the "Holler." Please do not block parking spots designated for band members or our hardworking crew. And always follow the directions given by volunteers and signs. The Jazz Jubilee free shuttle bus will service the Mammoth High School parking lot, and the new area – a large parking lot up Meridian Blvd. (free). Please see map in this program to find location and pickup times.

*NEW THIS YEAR: 7 a.m. to 7 p.m. free town shuttle. This is in addition to what Jubilee provides.

*ALCOHOLIC BEVERAGE POLICY. Any beverage you purchase at one of our food/drink booths may be taken out of an outdoor site, transported down the street, and taken into another outdoor site. Please note: California law DOES NOT allow open containers of alcohol in cars — DO NOT TRANSPORT YOUR JUBILEE-PURCHASED ALCOHOLIC BEVERAGE IN A CAR. The Jubilee's special alcoholic transport law is only for walking from venue to venue, not driving, and only applies to beverages purchased at one of our OUTDOOR SITES.

SORRY — STILL NO COOLERS, THERMOSES OR "OUTSIDE ALCOHOL" ALLOWED IN ANY VENUE.

This beverage law is on a yearly trial basis with the ABC. Please help us with this so we may continue this policy in the future. Thank you for your cooperation. Remember that this applies to our outdoor venues only. Please do not take beverages in or out of Nevados, Whiskey Creek Restaurant, Ocean Harvest Restaurant or any other indoor site.

*WOODEN DOLLARS. They will be used as payment for food and drinks at outdoor sites only. The one exception: The Sunday night program at Grumpy's Tent, sponsored by Grumpy's (Goodbye 2003 Jubilee) WILL ONLY TAKE CASH. Be sure to spend your wooden dollars prior to 5:30 p.m. Sunday evening! Or you can save them for next year or donate them back to the Jazz Camp kids. (No refunds.)

MOST INDOOR SITES will accept cash/credit card only, with exception of the RV Park – wooden dollars are ac-

Friday Night Mardi Gras Madness or Manners?

Please have fun Mardi Gras time, but respect the rights of others who may not be as active or involved as you are. Remember to be careful with the direction you place your parasol or umbrella.

The view from many seats at Tom's Woods become "blocked" when people stand/dance/or jump around in front of the stage. In order to accommodate all Mardi Gras enthusiasts, we would like your help with the following:

1. For the first 50 minutes of each hour set, "second line" paraders and partiers may move anywhere in the site so long as you **DO NOT STOP in front of the stage**.

2. It is okay to stop off to the sides of the dance floors, but it is NOT OKAY to party in front of the stage where you block vision for those seated there.

3. Exception – for the last 10 minutes of each set – approximately 8:20 to 8:30 p.m., 9:35 to 9:45 p.m. and 10:50-11 p.m. it will be okay to get in front of the stage. **However, ABSOLUTELY no one other than paid performers is allowed on the stage at anytime!**

4. To those who are seated, we hope you enjoyed the first 50 minutes and understand the last 10 minutes of each set.

5. Remember the first rows of chairs are on a relatively level surface, so if you want to see the stage for the whole show, you may wish to take a seat farther back in the site, or get up and party, too!

We are trying to make Mardi Gras fun for one and all. **Thanks for your understanding and cooperation!**

JUBILEE GOODIES

Souvenirs

Take Home Music or a Video from Mammoth

Over the years, the Mammoth Lakes Jazz Jubilee has produced CDs and videos in cooperation with GOAL Productions and the University of Southern California's School of Cinema-Television.

These CDs and videos are on sale in the souvenir tent at Tom's Woods, proceeds from which help support the annual Mammoth Lakes Jazz Camp, hosted by the Jubilee. Your support helps keep jazz in the system, and introduces more great music to up and coming players!

Here is a list of what's available:

CDs:

($15 each)

Mammoth 2001: Ballads & Things... 17 songs recorded live at Ocean Harvest last year, featuring mostly piano from Pianorama, plus Barnhart, Draga and Coots.

Mammoth 2000: 2000 Pianos, 2 Guitars and 1 Clarinet... Featuring tunes from the Jubilee's piano players, Dave and Larry Koonse and Bob Draga

Mammoth 99: Big Band and Little Band... 18 tunes featuring Terry Myers & the Mammoth Lakes All Star Big Band and the Phil Norman Tentet

Mammoth 98: A Little Bit Trad and a Little More Modern...14 songs from 13 bands

Music in the Woods (from 1997)... 15 hits from different bands

Videos: Some are in short supply

($20 each)

Mr. Jack Daniel's Original Silver Cornet Band & Friends (from 1999)... This live performance took place at the 11th annual Mammoth Lakes Jazz Jubilee and features 17 songs. Friends joining in include Bob Draga and Bill Allred's Classic Jazz Band.

Mammoth 98: 10 Years Old and Still Going Strong... 13 great songs from the 10th annual Jubilee

Nine from the Ninth... Musical highlights from the 1997 festival

The Bill Allred Classic Jazz Band... Taped live at the 1997 Jubilee

The Black Dogs Mardi Gras Music... Taped live at Mammoth in 1996

The Draga/Vax Connection... Taped live at Mammoth in 1996

Beth Chorneau Sings in the Rain... Taped live at Mammoth in 1996

More Jazz Up High... An hour of music from Trad to Mod from the 1996 Jubilee

Mammoth Encores... An exciting video based on the grand finale at Mammoth in 1995

Jazz in the High Sierra... A musical documentary with scenery and music from the 1994 festival

This is a great collection of music from the top bands that have been part of the Mammoth Lakes Jazz Jubilee over the years. Take home the Jubilee and re-live it with friends, or, better yet, give them a gift of music from Mammoth... And don't forget to check out other CDs and stuff from all of the bands at Mammoth this year! (Christmas is only 5 months away!)

If you miss the opportunity while you are in Mammoth, call the Mammoth Lakes Jazz Jubilee office at (760) 934-2478. Also, you can visit the following web site at Mammothjazz.org.

T-Shirts, Wineglasses, Band Souvenirs, and More

Tom's Woods will feature a large souvenir tent where you can buy videos, tapes, CDs and even old records of all your favorites, as well as other souvenirs, such as T-shirts (including this year's Jazzy-T), hats, pins, mugs, wineglasses with the Jubilee inscription and specially labeled wine from Mirassou Vineyards.

Also available are Mammoth Lakes Jazz Jubilee golf shirts, sweatshirts, long sleeve Henleys, long-sleeved polo shirts, Mardi Gras beads and masks, umbrellas, postcards, ponchos, lighted jewelry and much more.

Individual bands will be selling their own CDs, tapes and souvenirs when they play at each site. But if you miss picking something up then, come by the souvenir tent at Tom's Woods to take home a piece of the 15th annual Mammoth Lakes Jazz Jubilee.

Get Signed Souvenir Poster

Again this year, we are selling special souvenir posters designed for this, the 15th annual Jubilee. And at Tom's Woods you can get the poster signed by the photographer Bonnie Colgan.

This year's poster features the hands of Jim Haislip from Cornet Chop Suey, Bob Pickwood from Bill Allred's and Bob Draga from Titan Hot Seven. From time to time, they will be on hand to sign posters, too.

LOCAL MOTIONS

Music Society of the Eastern Sierra

The Music Society of the Eastern Sierra works, encourages, sponsors, and stimulates active participation in the performance of music. The Society has given the Mammoth Unified School District music programs invaluable support.

The organization contributes to the Jazz Jubilee Jazz Camp, a weeklong program for young musicians interested in learning to play jazz. Their donations allow local students to participate in the popular camp.

Music Society members lend a hand at the Jazz Jubilee by working as information assistants at Tom's Woods. If you don't see a red-aproned information guide (with the big white "?" on the front of the apron), stop by the Music Society table and they will assist you.

The Music Society also contributes to other local events and organizations such as the Sierra Summer Festival, Mono County Arts Council, and the Community Chorus ("Messiah"). Additional contributions are given to school bands and choruses. These contributions help cover costs for instruments, accompanists and band T-shirts, as well as provide financial assistance for students to attend festivals and contests and they provide scholarships for promising high-school seniors. What's New for the 15th Annual Jazz Jubilee?

Hot jazz in the cool Sierra is here again with the 15th annual Mammoth Lakes Jazz Jubilee. As always, four music-filled and party-packed days of fun are on tap for the thousands who travel from far and wide to meet, greet, listen, dance, drink and gobble-up all that this huge festival has to offer.

Each year, the Jazz Jubilee expands a little and this year is no different. Twenty-plus bands, ten venues and a schedule that is full of performances, special events and more are what will make this year's Jubilee the biggest and perhaps best yet.

So just what's new at this year's Jubilee? Read on for details…

- A new Jazz Jubilee poster by local photographer Bonnie Colgan featuring three hands and instruments of your favorite musicians! Guess who?
- A newly designed Jazzy T-shirt for the famous Jazzy T-shirt Raffle. James Michael Miller created the new Jazz Jubilee logo, which is shown off on the front of the shirt. The back of the shirt was designed by SueZQ.
- Lighted jewelry has been added to the amazing list of souvenirs available at this year's Jubilee.
- Two local bands are new on this year's line-up. Be sure to check out the progressive jazz style of **Avalon** as well as the all percussion group, **Rhythm Method**.
- **"Extra Jazz after Dark"** On Sunday night, the final day of the Jubilee, the Big Top will feature a very special "after hours" party from 8:30 to 10:30 p.m. There is a $5 cover to get in, unless you have a volunteer, sponsor, or musician's badge with a ribbon. This party is an added attraction to thank all the performers, volunteers, sponsors, and staff who made the 15th Mammoth Lakes Jazz Jubilee happen. Everyone is welcome to attend. So, who will play at the "Extra Jazz After Dark" party? **The Midiri Brothers** and **Cornet Chop Suey**! Seating will be available on a first-come first-serve basis.

Jazzy T-Shirt Raffle

One of the most popular souvenirs at the 2003 Mammoth Lakes Jazz Jubilee will be a Jazzy T-shirt. A new logo, created by James Michael Miller, graces the front of the shirt while the back of the shirt was designed by local artist Susie "SueZQ" Baumwohl. The T-shirt is colorful and stylish, plus it's your ticket in to a fabulous raffle and your chance to win one of hundreds of great prizes.

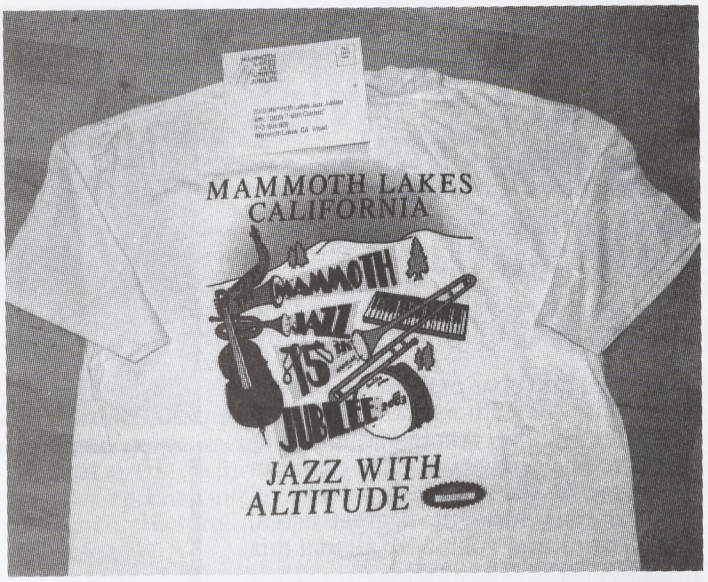
Here's how it works: Buy a Jazzy T-shirt, fill out attached entry card and enter it into the raffle. Buy two, and your chances increase. Every shirt is individually numbered to represent the purchaser's chance in the raffle.

As usual, the Jazzy T-shirt went on sale in late May/early June at various local businesses. Since early July, raffles have generated excitement about the Jubilee. Prizes, such as gift certificates and merchandise, have already been given away.

Come the festival's final hours, each entrant (whether a previous winner or not) will be placed into "the hat" for the grand prize drawing of a roundtrip airline ticket on American Airlines. Other top prizes include a CD portable stereo, and a special hotel stay at Circus Circus in Reno in a spa suite!

If you are a lucky winner of any of the many wonderful items being raffled, you can find "Prize Pick-up" at the back of Tom's Woods site.

You can't win if you don't play, so be sure to buy your Jazzy T-shirt at Tom's Woods T-shirt booth. Fill in the attached entry card and hand it to the Jubilee volunteers in the booth.



Even if your number is not called for the grand prize, there are many other great prizes to be won and, of course, a beautiful Jazzy T-shirt will commemorate the event. Best of all, profits from the Jazzy T-shirt raffle go directly back into next year's Jazz Jubilee fund, so join in the fun!

Please note: Winners need not be present to win!

Our first "Jazzy T" was printed for our fifth Jubilee in 1993. Do you have all of them?

Jazz Jubilee Camp Nine Years and Counting

One of the best ways to keep jazz alive is to keep young musicians swinging. Here at the Mammoth Lakes Jazz Jubilee, we attempt to do so by offering a weeklong camp devoted to teenagers and to jazz. This July, the annual Mammoth Lakes Jazz Jubilee Camp celebrates its ninth year.

Currently underway for students in junior high school and high school (ages 13-17), the camp began July 6 and runs through July 13. It is a unique opportunity for young musicians who want to learn the elements of jazz, and who wish to perform at a major jazz event.

The camp is not for learning how to play an instrument; it's for learning how to play jazz! Professional musicians and educators are providing the students with playing experience, not just classroom experience. And, to top it off, this jazz camp gives young musicians an opportunity to perform throughout the Mammoth Lakes Jazz Jubilee. Look for them as the Youth/Jazz Camp Band on the schedule.

Emphasis in the camp is on improvisation, instrumental technique, harmony and scales, creating jazz solos, improvising ensemble parts, and learning to play from music and by ear. Several different jazz styles are entertained at the camp.

Bill Dendle of the former South Market Street Band is the camp administrator. Several other world class instructors will join Bill in the experience, including Rusty Stiers, Otis Mourning, John Reynolds, "Westy" Westenhofer, Dick Maley, Jason Wanner, and Shelley Burns.

In addition to performances by the jazz camp students, be sure to catch all the Mammoth Lakes Jazz Camp instructors performing here as "The Professors". Check the schedule for time and locations.

In past years, the camp has drawn students from all over the state, as well as from Utah, Arizona and Idaho. They are all anxious to perform for you at this year's Mammoth Lakes Jazz Jubilee, so check out at least one of their sets.

These kids will amaze and delight you! MLJJ

Jubilee Sends Students to Jazz Camp

Each year, the Mammoth Lakes Jazz Jubilee donates money to send local students to jazz camp.

Part of the funding is made possible by a jacket raffle held at each Jubilee. "Racy," one of our souvenir vendors at Tom's Woods, donates a jacket each year, for which we sell raffle tickets at $1 each.

Be sure to purchase at least one raffle ticket and contribute to this worthwhile scholarship fund. Who knows, you may even win a snazzy new jacket!

Tickets will be sold at a table in the back of Tom's Woods - the raffle prize "pick-up" table. MLJJ

Beaucoups des Banjos!

There are three separate special events featuring banjos at this year's Mammoth Lakes Jazz Jubilee. The Banjo Brunch was the first of the breed and features individual banjo and guitar players, representing the many bands performing here at the Jubilee. They play at least two at a time for 25 minutes a set.

The popularity of the Banjo Brunch led to the inauguration (a few years later) of Banjos & Cocktails, Guitars, Too! Again, banjo players from the Jubilee are paired together (or in threes) to play in 25-minute sets. And the most recent addition to the banjo bonanza is "Blazing Banjos" with the fast fingers of Gary Ryan, Eddie Erickson and Bill Dendle as a trio– you just have to discover this one for yourself! These will be hour-long sets, not just 25 minutes.

Double Eagle Resort & Spa Hosts Jazz Party

Thursday, July 10 at 6:30 p.m.

The Double Eagle Resort and Spa in June Lake will again host an opening-night party (Thursday, July 10) to honor this year's Mammoth Lakes Jazz Jubilee. As in the past two years, Chicago Six will perform an hour-long set on the lawn at Ron's Pond beginning at 6:30 p.m. The band has a new vocalist this year. Her name is Polly Podwell and she will delight and entertain along with the rest of the band.

Entry into the party is free; however, food and drinks will be available for purchase. Food will be served from 5:00 p.m. to 7:30 p.m. and drinks served throughout the event.

Be sure to bring your own blankets and lawn chairs so you can sit back and enjoy great music while surrounded by the wonderful setting. Please note: outside coolers are not allowed.

June Lake is just 20 miles north of Mammoth Lakes off US Highway 395. You must provide your own transportation to this event, which is a terrific sneak preview of what will be happening all weekend long in Mammoth Lakes. Come on over and join in the opening-night fun!

For directions or more information about this party, call the Double Eagle Resort and Spa at (760) 648-7134. MLJJ

More Thanks...

We wish to thank the following for their continued support of the Mammoth Lakes Jazz Jubilee. The Jubilee is supported in part with funds from the *National Endowment for the Arts*, a federal agency, and the *California Arts Council*, a state agency.

We here at the Jubilee are very grateful for the support of these agencies and councils and welcome their participation in this year's event.

(Mammoth Lakes Jazz Jubilee is 501-C3 Nonprofit Organization.)

Our Philosophy

Still jazzing after 15 years...

"Any real jazz festival can't be simply a collection of concerts. It must be a thing unto itself, an entity beyond the individual performances, beyond the individual programs, and greater than the sum of these.

The point of a festival is to be festive. To give and receive joy and to present a wide diversity of styles and types of music in as festive and pleasant a surrounding as possible.

To be successful as a festival, the grounds, the concerts, the musicians, the patrons, and the atmosphere all have to jell together to be something more than one can find elsewhere.

This is what has happened in Mammoth Lakes.

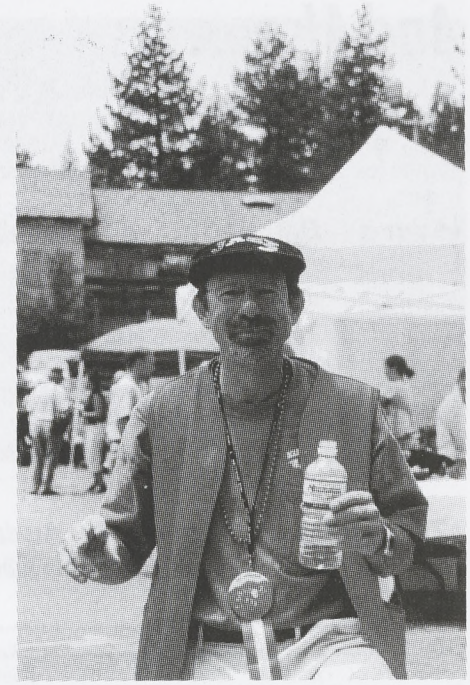
A jazz festival should be the best possible combination of enjoyment one can devise. Organization and improvisation, lyricism, strength, euphoria and the blues, individuals and groups, the scream, the cry and the whisper: It should all be there for you.

A festival, like music, is to be experienced. It is interesting, but not essential, to know things about music and about the musicians. The music is enough by itself; so is the setting; and so, too, are the people there.

All together, these make up one of the best things about being here, even if it only happens once a year."

[Adapted from "Why a Jazz Festival-Festival?" by Ralph Gleason]

Please enjoy your mountain musical experience – Jazz with Altutude!



Drink Responsibly... You're at 8,000 Feet Above Sea Level

While reveling in the wonderful music here at the Mammoth Lakes Jazz Jubilee, remember to "Think Before You Drink!" This is the High Sierra and the elevation of this festival is about 8,000 feet above sea level.

For those of you unfamiliar with such altitude — take it easy! You and your body will react to alcohol differently.

Consuming two beers at a high altitude will affect you more than at sea level. Drink plenty of water to avoid excessive dehydration, and should you become unable to drive, take advantage of the free shuttle bus. Please limit your bar purchases to two drinks a trip.

If you live outside the shuttle route, contact a site manager, who will find you a ride home.

Safety always comes first!

Also, should minors approach you to buy them alcohol, please refrain from doing so, and report the incident to a Jubilee official. MLJJ

Sixth Annual Musical Instrument Petting Zoo

Saturday, July 12, 9:00 a.m. at The Holler

When the Petting Zoo was introduced to the Mammoth Lakes Jazz Jubilee six years ago, no one really knew how big a hit it would be! You see, many festival-goers have never even touched a musical instrument, much less played one. And at the Musical Instrument Petting Zoo, folks can do both!

Kids, adults, musicians, and non-musicians all tried their hand at the many instruments available with avid enthusiasm. We hear some people take up their favorite instrument. The instructors sure get a kick out of it, too.

This year, we are holding the Instrument Petting Zoo on Saturday, July 12 at the Holler. Petting hours begin at 9:00 a.m., so stop by and hold, blow, beat, or simply pet these musical instruments. Mouthpieces and reeds will be sanitized after each use.

Jazz camp students and musicians participating in the Jazz Jubilee will be there to teach you how to hold and pucker. All ages are welcome to the petting zoo, and feel free to ask questions or ask for demonstrations from our young campers.

This event is free; however, there will be a donation jar to benefit the jazz camp. MLJJ

The Mammoth Lakes Jazz Jubilee's Host Band, **Temple of Folly**, welcomes everyone to its 15th annual celebration of jazz music!

It was over 20 years ago that local residents Elliott Thompson and Ken Coulter, along with friend Dave Koonse, formed the Temple of Folly. In that time, many players have come and gone, but for the last nine years, most of the players have stayed the same.

Flip Oakes, Don Rice, Bill Hunter and Isla Eckinger are all fine professional players. Expect them to perform great swinging jazz for you! This year's addition of vocalist Yve Evans, a Jubilee favorite, is frosting on the cake!

Temple of Folly remains the host band of this Jubilee for reasons Elliott and Thelma Thompson started the Jubilee way back in 1989. Elliott just wanted a great place to play. He sure got that!

Look for some hard-swinging jazz and some George Shearing sounds!

This hard-swinging unit known as **Bill Allred's Classic Jazz Band** started out as a "kicks band," collecting and playing some of the early works of small-band-arranged jazz. Just for the fun of it, they went to a few jazz festivals. That was over ten years and many albums ago! Now they enjoy worldwide acclaim as one of the most versatile bands in the business.

With a varied collection of music from the 1920s to present day, Bill Allred's Classic Jazz plays big band, little band, traditional, Dixie, swing and straight ahead, with great arrangements from Matty Matlock to Doc Severinson. There is no denying it, this is an awesome swinging band!

The **Blue Street Jazz Band** has been a major force on the Dixieland jazz circuit for a number of years. In fact, this year they celebrate their 20th anniversary!

Founded in 1983 by trumpet player Forrest Helmick and currently under the leadership of trombonist Dave Ruffner, the band is one of the most innovative groups in traditional jazz.

Original songs and creatively conceived arrangements have been the hallmark of the band, along with musical expertise displayed by each individual member.

The band showcases the singing of the "Siren of the San Joaquin" — Ms. Sherri Colby, who has been singing with the band since she was 13 years old.

The **Blue Street Jazz Band** earned a reputation as the "Bad Boys of Dixieland" for their eclectic tastes in music. With almost 20 years as a group, more than a dozen top-selling albums and too-many-to-count live performances around the globe behind them.

Known for their fast-paced, energetic and fun-filled performances, Blue Street will get you off your feet and onto the dance floor before you get your first libation. With inspiring and uplifting gospel tunes thrown into the mix, the band has a wide appeal to audiences and pleases both young and old alike.

Chicago Six is as much a tradition here in Mammoth as the Jazz Jubilee itself and they are recognized as one of the most popular returning bands.

The band hails from Cardiff, a town just north of San Diego. A swinging group of musicians, **Chicago Six** has been around for more than 20 years. They first started playing as a pickup band to fill in on Friday nights with Dixie-style music at the Belly-Up Tavern.

Their distinctive style has its roots in Chicago jazz, which, when they're really cooking, has made them one of the country's most respected bands. Many of the talented members are veterans of some of the best-known jazz organizations in the country, including Stan Kenton, Woody Herman, Muggsy Spanier, Bobby Hackett, Les Brown, Lawrence Welk and Tex Beneke.

This year, vocalist Polly Podwell, who sang with Woody Herman and Benny Goodman, joins **Chicago Six**.

Tom Tucker	**Co-Leader, Trumpet**
Robert L. "Bob" Row	Piano, Trumpet, Alto Horn, Vocals
Jimmy Haislip	Trombone
Al Sherman	Bass

Jerry Epperson	Clarinet, Baritone Sax

The seven multi-talented musicians of **Cornet Chop Suey** will give you an exciting Traditional jazz and Swing show every time! And they do so with gusto and enthusiasm.

Formed in 1997 by co-leaders Brian "Big B" Casserly and Tom Tucker, the band is excited to make their second appearance here at the Mammoth Lakes Jazz Jubilee.

Named after a popular Louis Armstrong tune, **Cornet Chop Suey** has at least a century of songs in their repertoire — from the rags and Dixie of the early 1900's to contemporary jump, jazz and swing.

Their two recordings, "Cornet Chop Suey — Live" and "Cornet Marmalade" were produced the old fashioned way: in a single evening in front of a live audience. The band wanted to capture the feel of 1950s-era jazz festival recordings and did so with much success.

Cornet Chop Suey features a high-energy front line and a powerful rhythm section. These members and supporters of the St. Louis Jazz Club are local favorites who keep you coming back for more!

Gator Beat specializes in its own brand of South Louisiana music, blending traditional Cajun and Zydeco with a wonderful mixture of original songs.

Terry Myers Returns with Big Band Bash

Fri., July 11 at Big Top: 9:00-10:30 p.m.
Sat., July 12 at Tom's Woods: 8:15-9:45 p.m.

The ever-talented Terry Myers will once again lead two Big Band sets with many of this year's Jubilee players joining in. Terry, who is from Orlando, Florida, has made the Big Band Bash a tradition here in Mammoth Lakes – and as always, the shows will be remembered for a long time to come!

One of the most impressive things about the Big Band Bash is that the players have not rehearsed before these shows. They just sight read and swing. Myers and his big band charts bring out the best in all of them.

Both the Friday and Saturday night sets last 90 minutes so don't miss out!

Bryan Shaw	Cornet
Earl McKee	Sousaphone, Vocals
Bruce Huddleston	Piano

2003 marks the return of the popular **High Sierra Jazz Band**. Those who have seen these guys perform know they are hot—and have been since their formation back in 1976! A new banjo/guitar player (Scott Anthony) and a sizzling new sound have made them better than ever!

High Sierra has performed in Mammoth many times, however they did not make it here last year. They did remain busy as one of the most popular active traditional jazz bands in the country.

High Sierra is among Mammoth fans favorites -- Chattanooga and Sacramento fans, too, have appreciated the band's hard-driving West Coast style. Exciting, electrifying and dynamic are just a few ways to describe this talented group of players.

Please welcome back High Sierra Jazz Band and let them know what you think of their new sound!

First time Mammoth Lakes Jazz Jubilee ensemble, **High Street**, is a show band that has both aesthetic appeal and solid musicianship. As one of the northwest's most entertaining bands, **High Street** has a repertoire that includes cover songs and original tunes in a mixture of Swing, Jazz, Latin and Blues.

This ten-member group has performed at Walt Disney World, the Boise River Festival, the Bite of Portland and recently on a Norwegian Cruise Lines cruise. They have also opened for Huey Lewis and the News and were the showcase band for the International Festivals and Events Association.

Kinda Dixie Jazz Band

Las Vegas, Nevada

Jim Fitzgerald	**Leader, Trombone, Vocals**
Steve Johnson	Reeds, Vocals
Dan Ellis	Piano, Vocals
Ty Lemley	Bass, Guitar, Vocals
Paul Testa	Drums
Edward Sherry	Trumpet

When the music of old New Orleans meets up with the spirit of "old" Las Vegas, a lot of folks find the result kinda irresistible.

The **Kinda Dixie Jazz Band** plays its namesake music authentically enough to travel to Dixieland jazz festivals, but the group would admit that its heritage lies not on Bourbon Street but in Las Vegas lounges.

Leader and trombonist Jim Fitzgerald believes the success of the band lies in the fact that it isn't just traditional Dixieland but has evolved to a lot more four-part vocals and standards arranged for groups such as the Four Freshman and the Ink Spots.

The six-piece band has more than 350 arrangements in its songbook and ample opportunity to play them. For almost 20 years, they have been the house band at the locals-oriented Gold Coast Hotel and Casino on West Flamingo Road in Las Vegas.

Mammoth is kinda excited as it welcomes **Kinda Dixie** back to its Jazz Jubilee. And a big jazz welcome to the new son of Dan and Vicki Ellis – another budding musician was just born!

Midiri Brothers

Mays Landing, New Jersey

Joseph Midiri	Leader, Clarinet, Saxophone
Paul Midiri	Vibraphone
Dan Tobias	Trumpet, Cornet
Pat Mercuri	Guitar
Jim Lawlor	Drums
Gary Cattley	Bass

This is the Mammoth Lakes debut for the **Midiri Brothers**. The brothers are leaders of various small group jazz ensembles and also lead a 16-piece big band orchestra. Their arrangements feature authentic yet creative performances of the music of Benny Goodman, Lionel Hampton, Artie Shaw, Red Norvo and many others.

Straight out of New Jersey, these talented musicians also perform their own special arrangements in the tradition of the Swing and Dixie eras, all under the direction of clarinetist Joe Midiri.

Recordings include "Live! At Bridgewater," "Avalon," and "Finger Bustin" all of which are featured as part of regular programming of nationally syndicated radio programs and worldwide on web broadcasts.

Since 1990, the **Midiri Brothers** have made the rounds of the East Coast's premier venues, including New York City's Rainbow Room and Philadelphia's Penn's Landing. In 2002, the Midiri Brothers Sextet made their West Coast debut at the Costa Mesa Classic Jazz Festival and became an official hit.

Be sure to check out this spirited, jazzy team of players. They'll surely be a hit here in Mammoth!

Tracy Walton	Guitar, Vocals
Rick Lotter	Drums, Percussion
Mike Palmer	Bass
Reggy Marks	Saxophone, Flute, Vocals
Steve Stizzo	Accordion, Keyboard, Trumpet
Jon Wood	Guitar

Since 1990, **Mumbo Gumbo** has shared with audiences a unique blend of original songs and music with elements of New Orleans Rhumba, Zydeco and Cajun with Latin and Caribbean rhythms. Add in some Texas Swing, pop, folk, African rhythms and lyrics, Spanish lyrics, and even hints of Irish sounds and you get a bubbling stew that defines this band.

A festival favorite from Texas to Idaho to Washington and Oregon, Mumbo Gumbo performs regularly in Northern Californian cities such as Monterey, Eureka, and San Francisco as well as Reno, Nevada and in Southern California. Their last appearance in Mammoth was in the late 1990's.

They have seven recordings under their belts as well as numerous awards and accolades, including Sacramento's famous Sammie. In fact they have won so many Sammies for "Best World Music Band," they were the first inductees into the Sammie Hall of Fame.

Catch them here in Mammoth Lakes and you'll know why they are played on over 100 radio stations nationwide and hotly sought after for live shows and festivals.

Claremont, California

Chet Jaeger	**Leader, Cornet, Vocals**
Dick Doner	Trombone, Vocals
Jim Richardson	Reeds, Vocals
Les Deutsch	Piano
George Olson	String Bass
Lance MacLean	Banjo, Vocals
Larry Kostka	Percussion, Vocals

Jazz festival veterans, **The Night Blooming Jazzmen**, return to Mammoth with fresh-sounding jazz and entertaining styles. Those familiar with this wonderfully funny band may have seen them at the Sacramento Dixieland Jubilee, where they first played in 1975 as an ad hoc band representing the influential Southern California Club, the Society for the Preservation of Dixieland Jazz. Not only was this band asked to return the following year, it has been performing at the Sacramento festival ever since.

The band's style ranges from traditional to early swing, with side trips into Sousa marches and gospel music. Leader Chet has a reputation as a very funny, deadpan emcee, and the whole band enters in on the hilarious and spontaneous shenanigans.

The Professors

Everywhere, USA

Bill Dendle	**Leader, Trombone**
Rusty Stiers	Trumpet
Lee "Westy" Westenhofer	Bass, Tuba
Otis Mouring	Clarinet, Saxes
Jason Wanner	Piano
Dick Maley	Drums
John Reynolds	Banjo, Guitar
Shelley Burns	Vocals

This will be the eighth appearance of a creatively formed band called **The Professors**. Made up entirely of teachers from the annual Mammoth Lakes Jazz Jubilee Camp, "The Professors" is led by camp administrator Bill Dendle.

"In the past, camp instructors hailed from various bands. It made scheduling very difficult, because the Jubilee's youth band is made up of camp participants," Jubilee Co-Director Ken Coulter explained. "A few years ago, we decided instructors could not be in a separate band, so we formed a new one." The success of "The Professors" was instantaneous.

Mammoth Lakes Jazz Jubilee is one of the few festivals where you can see this group together.

With so much talent and experience, they will surely bring the house down again this year!

With weekly performances at Disneyland, they have developed their own unique formula for presenting over half a century of jazz styles, including Dixieland, Blues, Big Band, Swing, jazz standards and post-bop classics.

Recent accomplishments by the band include the release of their seventh CD, titled "Live in Concert," and the debut of their Symphony Pops Orchestra program with the San Antonio Symphony, Long Beach Symphony and Tulsa Philharmonic.

The **Titan Hot Seven** is filled with familiar faces. Founded by the late Louis Brown as a quintet, the band has many members who were/are associated with the Jack Daniel's Silver Cornet Band, including Danny, Jerry and Chuck.

This Nashville-based Hot Jazz band became seven pieces in 1998, when Bob and Jeff jumped on board. A versatile group, the **Titans** play everything from Traditional Jazz, Swing, ballads, ragtime and novelty tunes with spontaneous, outrageous humor. We are very excited to welcome them back for their sixth outing together in Mammoth Lakes.

Since 1996, the band has played at jazz festivals and jubilees from Sacramento to Indian Wells to Chilliwack, B.C., to the Lake of the Ozarks. They have three recordings on the market, including "Going to Tishomingo," "The Jean Wright Sessions," and "Jam in Music City." All their albums are hot items to jazz lovers everywhere!

Like their name says, these guys are "Hot, Hot, Hot!"

Matt Perrine	Bass
Ed Metz, Jr.	Drums
David Jones	Cornet
Pat Gulotta	Trombone
Brady McKay	Vocals

Tom Hook and his Black Dogs are back – **Les Chiens Noir**! This hot gang of musicians is sure to bring the house down, the tent down or wherever they are playing down.

Formed in Orlando in 1989, The Black Dogs were originally composed of staff musicians at Walt Disney World. Soon after, they took the Traditional Jazz world by storm by infusing contemporary rhythms and sounds into classic New Orleans Jazz. It really changed the face of the Trad world forever.

Always in pursuit of the original goal, Tom and his Dogs pointed their energies into American pop music and crested the wave of "Jump Swing" long before the current crop of swingsters.

The Dogs have also made a point of playing the finest New Orleans-style rhythm and blues across the globe, which they have toured extensively.

During their travels, the Black Dogs have headlined jazz festivals all around the country. Here at the Mammoth Lakes Jazz Jubilee, they have come in a variety of forms, last year as the Terrier Brothers. But they always are a festival favorite – always the life of the party!

New to the group this line-up this year is the brilliant vocalist Brady McKay. No stranger to this Jubilee, Brady formerly sang with Wooden Nickel Jass Band.

Don't miss this crew of dynamic musicians who swing hard, rock steady and drive everyone out of their seats and onto the dance floor. Their presence will surely be felt at the Goodbye 2003 party at Grumpy's Tent on Sunday night. This special extra event is sponsored by Grumpy's! To get in, there is a $5 cover for everyone, except those with 2003 ribbons on their 2003 badges.
